Developing sentences using *quand*, *lorsque* and *si*

Quand and *lorsque* can be used with a variety of contexts and tenses:

Quand *j'avais 15 ans, j'avais un poney.* When I was 15 I had a pony.

Je m'entraîne quand je peux. I train when I can.

Lorsque *je suis allé dans les Alpes, j'ai découvert l'escalade.*
When I went to the Alps I discovered rock climbing.

When **quand** is used to describe an event **in the future**, all the verbs need to be in the future tense:

Quand j'irai dans les Alpes je ferai de l'escalade.

When I go to the Alps I will go rock climbing.

Si (if) is used with a present-tense verb and is followed by a future-tense verb:

Si je peux, j'irai au Canada l'année prochaine.

If I can, I will go to Canada next year.
