

Julie Jubb – Co-opted Governor

I joined the Governing Body as a parent governor and subsequently became a co-opted Governor. I feel privileged to serve the school, its students and staff supporting them to achieve the best outcomes possible. I have worked for the Civil Service for over 30 years across a wide range of delivery and policy posts, most recently working for the Department for Education and the Education and Skills Funding Agency. Outside of work I enjoy cycling, running and swimming, and competing in our annual triathlon in West Kirby. I hope the wide range of skills and knowledge that I have developed both in work and outside enable me to support the school and its management team to progress in its journey to excellence.
