

Ian Sadler – Vice Chair of Governors

Ian is the Vice Chair of Governors at Hilbre and has two children currently at the school. He has worked in further and higher education for over twenty years and as link governor for learning and teaching hopes to be able to use this experience to support the school. He works at Liverpool John Moore's University as a Subject Head in the School of Sport and Exercise Science and has spoken to pupils in Year 8 at Hilbre about careers in this area. Ian and his family take part in a lot of sport in their spare time and therefore he has a keen interest in PE and sport within the school.
