

Julie Griffiths – Parent Governor – May 2020

I have been Parent Governor at Hilbre since November 2019. I have one child studying at Hilbre and another at Hoylake, I believed this would be a great opportunity for me to contribute more to the School and the community that it is part of.

I was a serving front line Police Officer for many years, specialising as a Detective within Family Crime Investigations focusing predominantly on Child Protection and Domestic Violence.

I now work within the Oil & Gas/Renewables Industry, specifically in the subsea engineering sector as a Project Manager. This required me to continue to progress my professional development within Health and Safety.

Outside of work I am an active volunteer for a couple of charities, namely Sundowns a Wirral based charity for children with Down Syndrome and also the Cotton Street Project, a Liverpool based homeless shelter.

I enjoy running and weightlifting as well as supporting my local rugby team Hoylake, who I used to play for.
