

I have been the Headteacher of a local primary school for over twelve years. I love working in education because every day offers a different challenge and the opportunity to make a difference to our young people . Working locally means that I know the community very well that Hilbre serves.

As a trustee, I am looking forward to being able to offer my experience and skills to continue to develop the already excellent work of the school. My daughter (until recently) attended Hilbre so I am familiar with the education and wider opportunities that the school has to offer.

I live on Wirral and in my spare time I enjoy making the most of our wonderful area by going on long walks. As a parent of two children, I also spend a considerable time supporting them in their chosen sports.
