

Syd Jenkinson – Chair of Finance Committee (Current)

I have been a Governor at Hilbre since 2013 and currently chair the Finance and Audit committee. I have one child studying at Hilbre who is currently in Year 13. I have been a qualified Management Accountant for over 20 years.

I have worked in the Medical industry and NHS for most of my career.

My current role involves being a business partner for the Sales and Marketing functions in a medical devices company based in North Wales, analysing sales trends and advising colleagues on various investment strategies.

Outside of work I enjoy running and cycling and I am also a season ticket holder at Everton FC.

I live locally in West Kirby.
