

## Y7 Transition Task – Music

This transition task is about getting to know a bit about you and your experiences of music so far. Please feel free to be imaginative in how you complete your work, (you might want to draw a cartoon, record a video, write it – be as creative as you like!)

Your task is to answer the following questions:

- **What are your experiences of Music so far?**
- **Which types of music do you enjoy?**
- **What do you hope to learn during your music lessons with us?**

If you already play an instrument you should record yourself playing and either email it in to [Gunatillekee@hilbre.wirral.sch.uk](mailto:Gunatillekee@hilbre.wirral.sch.uk) OR bring it in when you start.
