Students who are not eligible for FSMs may purchase food at brunch and lunch times from our Canteen facility managed by Chartwells Catering as part of the PFI Agreement. Any students who are required to self-isolate due to COVID-19 for a period of time will be entitled to a FSM meal entitlement to cover this period of absence from school.

3. Public examinations:

There is no charge for examinations that are part of the curriculum and on the school’s set examination list, where students have been prepared for the examinations by the school. However, if the student fails, without good reason, to meet an examination requirement, the school may under certain circumstances recover the fee incurred from that student’s parents/ legal guardians.

A charge will be made for re-sits under the school's Examination Re-sit policy, although the costs will be met for those students who are entitled to FSM.

The cost of optional extras:

The Headteacher will decide when it is necessary to charge for optional extras and the levels of charge will be set annually by the Headteacher on the recommendation of the Finance Committee. Parents/legal guardians will be advised in writing of the charges, as applicable.

Any charge made in respect of individual students will not exceed the actual cost of providing the optional extra activity, divided equally by the number of students participating (this will include exam revisions sessions out of school time). In no circumstances will there be an element of subsidy required for any student wishing to participate in the activity whose parents are unwilling or unable to pay the full charge (Section 12).

When calculating the cost of optional extras, an amount may be included in relation to:

The charge will not exceed the actual cost. Parents who can prove they are in receipt of certain benefits may be exempt from paying this cost (see Section 11 for more guidelines on remissions).

Travel:

Travel charges may apply when the residential activity takes place outside school hours. The amount charged will be calculated to cover the cost per student. These charges may not apply to those students entitled to remissions, but no other students will be charged extra to cover those costs.

Activities:

The school may charge for residential activities that fall outside of school hours (see Section 5).

All requests for remission of fees will be approved by the Headteacher under the Charging and Remission policy, as agreed by Trustees.

The school may decide to subsidise part or all of the payment of some charges for certain activities and students and this will be determined on a case by case basis by the Headteacher.

12. Voluntary contributions:

The Board of Trustees may ask parents/legal guardians to make a voluntary contribution to the school for general funds to fund activities that will further enrich student's education.

In any case where an activity cannot be afforded without voluntary funding, this will be made clear to the parents by the school. If the activity is cancelled, then all monies paid will be returned to parents.

There is no obligation for a parent/legal guardian to make any contribution and the school will in no way pressure parents to make any voluntary contributions.

13. Refunds:

Requests for refunds will not be automatically approved and will be considered on an individual basis and may be rejected if the school is unable to recoup the costs incurred.

14. Inability or unwillingness to pay:

If there is insufficient funding for an activity, then it will be cancelled.

If parents/legal guardians are asked to commit to an out of hours trips (ie. Theatre production/show) and the school pay for tickets based on this commitment, then requests for

final balances made be made by the school if the students/parent decides to cancel their place on trip, regardless of reason. (This will of course be considered on a case by case basis).
