

Hilbre High School 16 to 19 Tuition Fund 2021/22

The ESFA has made funding available to school and colleges to support students who have had their learning affected by the Coronavirus pandemic. The 16 to 19 tuition fund is ring-fenced funding for schools, colleges and all other 16 to 19 institutions who receive annual funding allocations from ESFA for the provision of 16 to 19 education, to mitigate the disruption to learning arising from coronavirus (COVID-19). Hilbre High School will use the funding to provide small group tuition for 16 to 19 year-olds on a study programme where their learning has been disrupted and they have a GCSE Maths and / or English grade of 5 or below at age 16. Although the support is targeted based on prior attainment in maths/English, the funding is not limited to support in these subjects and will be provided according to need across a variety of subjects. The number of students who can access tuition from the funding this year has been increased to include those have a grade 4 or above in English and/or maths, are from an economically disadvantaged background and would need catch-up support.

Support is being prioritised where students will benefit most from small group tuition, and particular regard is being given to the requirements of disadvantaged students and students with special educational needs and disabilities (SEND).

Hilbre High School has committed to using the Tuition Fund that the ESFA has made available; sessions will be limited to no more than 5 students and will take place in addition to the normal planned timetabled hours.

Examples of some of the support that Hilbre High School intent to offer are:

- GCSE resit preparation
- Support for SEND and High Needs Students
- Vocational support where assessments were deferred
- Vocational catch-up sessions for knowledge and practical skills development
- Academic revision sessions for knowledge support

Implementation

Hilbre High School will use the funding as follows:

- Recruiting tutors to work with students in small groups to support teaching and learning.
- Increasing the hours of some existing staff.
- Run 1 to 1 or small group sessions in addition to the existing timetabled hours.
- Support will be offered and provided based on the individual needs of each student.

Hilbre High School commitment
