## Curriculum Design 2020-21

### Year 8

Year 8 is arranged into 8 forms with roughly 25 students in each form. Each year is split into an X half and Y half. Form groups are broadly mixed ability.

Students are streamed for some subjects in Year 8. Maths, Science and IT are taught in the same groups. English, Drama and Music are in the same group. There is an opportunity to study two languages in Year 8, and those students selected will study both French and Spanish. All other groups are roughly mixed ability.

Subjects	Students studying one language. Number of lessons over a two-week timetable (out of 50).	Students studying two languages. Number of lessons over a two-week timetable (out of 50).
English, Maths	7 of each	7 of each
Science	6	6
