Dear Parents/Carers,

What sadness we have all felt this week as we have come to terms with the passing of our colleague Julie Turner; and yet what happy memories we have as we think of Julie, her warmth and enthusiasm, her passion and love of Hilbre, her family and her children; one of whom Chris, attended Hilbre and has gone on to be a successful young man.

Julie joined us in 2008 and instantly became a popular and much loved member of staff. In her time at our school, she had a number of different responsibilities, to which she brought purpose, clarity and dedication. In those moments where we could talk about life beyond school, she would delight us with passionate stories about her pony, to which she gave endless care.

Julie Turner: one of those special people who make a deep and resonant impact in the life of the school and those who have the pleasure of meeting her. As we think of her husband Colin and her family, we think too of the friendship and love she had for all of us at Hilbre.

Julie Turner: May She Rest in Peace

Halloween Party

On Saturday 29th October, there will be a Halloween party at Oldershaw High School. There will be a live band playing (Bayrun Junkies) and hot dogs/snacks available to purchase. Transport will be arranged for students. They will be collected from their school at 18:30 hours and returned at approximately 21:30 - 21:45 hours.

Hilbre has been allocated 30 tickets and it is for students in years 9, 10 and 11.

Tickets cost £2 per student and can be purchased by PC Kelly Atherton email athertonk@hilbre.wirral.sch.uk 0151 625 5996 ex 211. Bayrun Junkies are a Chester band who perform cover-versions of Cold Play, Arctic Monkeys, Green Day, Undertones and many more similar bands.

SWITCHING TO EMAIL FOR HOME-SCHOOL COMMUNICATION

This academic year, we have elected to amend our home-school communication procedures to facilitate a reduction in paper usage. In order to achieve this, we now intend to use email as our primary means of communication with parents and carers. You will appreciate that this measure is likely to enable us to achieve a significant reduction in our stationery costs. With this in mind, may we politely request that you notify the School Office of any changes in your e-contact details by e-mailing schooloffice@hilbre.wirral.sch.uk

THE HILBRE 100 CLUB

In order to recognise and award students worthy of special commendation, this year sees the launch of the Hilbre 100 Club. Throughout the year, all subject teachers will be able to award 'achievement points' to students in every lesson to recognise student attainment, general effort or improvement. At the end of each two week cycle the top 100 (i.e. The Hilbre 100) will be personally congratulated by the Headteacher in a celebration assembly, during which time there will be an opportunity for the successful students to win a prize in the celebration draw that will be held.

As the year progresses, all of the names of the 100 students from each two week cycle will be carried forward for an end of term and an end of year draw for extra special prizes. In this way, we shall ensure that there is still a chance for a student to win, even if the first time they are not successful. In fact, the more times you are in, the more chance you'll win!
