With the warm weather seemingly upon us (although I don't want to speak too soon), it is a great opportunity to say thank you to all our students for taking much better care of the school field and ensuring that it is litter free.

I feel that the pristine school field is indicative of the changes we are witnessing in this wonderful school. After a short battle with a small minority of students, whereby we had to close the field if they continued to drop litter, the message is getting through that with a little effort and care, in this case putting litter in bins, we create a win-win situation. We have a field that can be used by students and we have a pleasant environment reflecting the culture of Hilbre High School. Last week I received a letter from a local resident who had written to the school back in 2010, complaining about litter in the locale. In his recent communication our neighbour writes, 'It's a rarity these days to see your students consciously dropping litter.'

Let us see this as a metaphor for the direction we are taking. Throughout the building we are tightening up a little; the rewards are tangible and we look forward to witnessing the results through the academic prowess of our students. Long may this continue...

Have a good weekend,

Mark Bellamy
Headteacher

SCHOOL EVENTS THIS TERM

Monday 16th May 2016 - External GCSE and GCE exams commence

Monday 30th May - Friday 3rd June 2016 - Whit Half Term

Monday 6th June 2016 - Full school return

6th FORM STUDY LEAVE

Year 12 students will commence study leave at 3.20pm on Thursday 19th May and return to school on Monday 13th June. When students return from study leave we will be embarking on preparation for application for University, apprenticeships and employment. We have many activities planned and will give details in due course.

Year 13 students will leave on Thursday 26th May. Any Year 13 students who have taken AS courses this year and would like to study for an extra year will be required to have a formal interview where we will be taking into consideration their work ethic this year and also attendance.

Holidays for 6th Form students will not be permitted at this crucial time in their education and it is important that study leave should be used for revision.

We would like to take this opportunity to encourage all our 6th Form students to work hard in their studies and hopefully receive the grades they are capable of achieving in the summer examinations.

FRIENDS OF HILBRE

Friends of Hilbre will be bag packing at Morrisons in West Kirby this Saturday 7th May 9am - 4pm. If you have any shopping to do, please pop in and support your child's school. We are raising money for outdoor activity equipment to be used by all students during break/lunch. Thank you in advance for your support. We would also like to thank the staff, parents and students for their support.

May 1st Prize No 10 Mr & Mrs Evans £25 2nd Prize No 18 Jan Coburn £10

YEAR 7 RUGBY

The Year 7 boys attended the Merseyside Emerging School 7's Tournament at Liverpool St Helens. The boys were unbeaten with 3 wins and 2 draws. They have all demonstrated rugby's values showing great Sportsmanship and Teamwork, both on and off the field and their Discipline is fantastic. They all Enjoyed being part of this team, showing Respect towards everyone involved. They have been an absolute delight to coach this year and I am looking forward to continue coaching these boys next year. By special request, we are going to continue training on a Tuesday from 3.20-4.20pm as the boys have asked if we can keep training. Well done boys and keep up the good work!

Mrs Myers (Thank you to Mrs Myers for all the dedicated hard-work and leadership to make the team such a success!)

The Student Council are currently raising money for the Guide Dogs for the Blind charity. We are doing this thanks to the inspiration of a 6th Form student who perhaps, wouldn't be able to attend our school without the help from the charity. By raising money we will not only be assisting the charity's aims, but will also be able to name our very own puppy.

GEOGRAPHY TRIP

On Tuesday our Year 7 students enjoyed a day out in the sunshine on their Geography field trip to Dibbinsdale Local Nature Reserve in Bromborough. They conducted a river study, practiced their map skills on a guided walk with the Ranger and even had time to build shelters! With rivers tests coming up, it was great to get some hands on experience out in the field to support what they have learned.

ENGLISH REVISION

English revision will take place with Mrs Whiteley every Wednesday and Thursday in G2.
