INTRODUCTION

The safe recruitment of staff in schools is the first step to safeguarding and promoting the welfare of children in education. Hilbre High School is committed to safeguarding and promoting the welfare of all students in its care. As an employer, the school expects all staff and volunteers to share this commitment.

PURPOSE

The purpose of the policy is to:

- Attract the best possible applicants to vacancies.
- Deter prospective applicants who are unsuitable to work with children.
- Identify and reject applicants who are unsuitable to work with children.

The school has a principle of open competition in its approach to recruitment and will seek to recruit the best applicant for the job. The recruitment and selection process should ensure the identification of the person best suited to the job at the school based on the applicant's abilities, qualification, experience and merit as measured against the Job Description and Person Specification.

The recruitment and selection of staff will be conducted in a professional, timely and responsive manner and in compliance with current employment legislation.

If a member of staff involved in the recruitment process has a close personal or familial relationship with an applicant they must declare it as soon as they are aware of the individual's application and avoid any involvement in the recruitment and selection decision-making process.

This policy objectives are to operate this procedure consistently and thoroughly while obtaining, collating, analysing and evaluating information from and about applicants applying for job vacancies at Hilbre High School.

ROLES AND RESPONSIBILITIES

It is the responsibility of the Governing Body to:

- Ensure the school has effective policies and procedures in place for recruitment of all staff and volunteers in accordance with guidance and legal requirements.
- Monitor the school's compliance with them.

It is the responsibility of the Headteacher, Assistant Headteacher (Personnel), the School Business Manager and other Managers involved in recruitment to:

- Ensure that the school operates safe recruitment procedures and makes sure all appropriate checks are carried out on all staff and volunteers who work at the school.
- Monitor contractors' and agencies' compliance with this document.
- Promote welfare of children and young people at every stage of the procedure.

In accordance with the School Staffing Regulations, the Governing Body has delegated responsibility to the Headteacher to lead in all appointments. School Governors may be involved in staff appointments but the final decision will rest with the Headteacher.

The school will ensure that at least one member of the appointment panel has successfully completed Safer Recruitment Training. This member will be part of the whole recruitment process.

The following procedures and practices are in place to ensure the safe recruitment of staff:

Advertising

To ensure equality of opportunity, the school will advertise all vacant posts to encourage as wide a field of applicant as possible; normally this entails an external advertisement.

All advertisements for all posts will clearly stipulate the stance adopted by the school by the inclusion of the following Safeguarding Statement:

“Hilbre High School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment”.

All documentation relating to applicants will be treated confidentially in accordance with the GDPR.

Application Forms, Job Descriptions and Person Specifications

Prospective applicants are supplied with the following:

- Application Form;
- Job Description;
- Person Specification.

Hilbre High School uses its own application form and all applicants for employment will be required to complete an application form containing questions about their academic and full employment history and their suitability for the role.

The application form will include the applicant’s declaration regarding convictions and working with children, and will make it clear that the post is exempt from the provisions of the Rehabilitation of Offenders Act 1974. CV’s will not be accepted.

All applicants will be made aware that providing false information is an offence and could result in the application being rejected or summary dismissal if the applicant has been selected and possible referral to the police and other professional regulatory bodies.

A Job Description is a key document in the recruitment process, and must be finalised prior to taking any other steps in the recruitment process. It will clearly and accurately set out the duties and responsibilities of the job role.

The Person Specification is of equal importance and informs the selection decision. It details the skills, experience, abilities and expertise that are required to do the job. The person specification will include a specific reference to suitability to work with children.

SHORT LISTING AND REFERENCES

Candidates will be short listed against the person specification for the post using the short listing proforma (Appendix 1). Gaps in employment should be noted on this form.

Two references, one of which must be from the applicant’s current/most recent employer, will be taken up before the selection stage so that any discrepancies may be probed during this stage of the procedure. These applies to all external appointments.

References will be sought directly from the referee, and, where necessary, will be contacted to clarify any anomalies or discrepancies. Detailed written records will be kept of such exchanges.

Where necessary, previous employers who have not been named as referees may be contacted in order to clarify any such anomalies or discrepancies. Detailed written records will be kept of such exchanges.

Referees will be asked specific questions about the following:

- The candidate's suitability to work with children and young people.
- Any disciplinary warnings, including time-expired warnings, relating to the safeguarding of children and young people.
- The candidate's suitability for the post.

Referees will not be asked about the applicant's health or disability unless and until the applicant has been offered a job.

The school does not accept open references, testimonials or references from relatives.

For internal applicants, a reference from the persons direct line manager will be requested. The Headteacher will not be required to complete a reference.

INTERVIEWS

There will be a face-to-face interview, wherever possible, and the same panel will see all the applicants for the vacant position. The interview process will explore the applicant's ability to carry out the Job Description and meet the Person Specification.

Candidates will always be required:

- To explain satisfactorily any gaps in employment;
- To explain satisfactorily any anomalies or discrepancies in the information available to the interviewers;
- To demonstrate their capacity to safeguard and protect the welfare of children and young people.

Any information in regard to past disciplinary action or allegations, cautions or convictions will be discussed and considered in the circumstance of the individual case during the interview process.

At least one member of any interviewing panel will have undertaken safer recruitment training or refresher training, as applicable.

All applicants who are invited to an interview will be required to bring evidence of their identity, address and qualifications. Original documents will only be accepted and photocopies will be taken.

It is good practice to have a governor on the panel, and this always be the case for senior posts.

The panel will individually score the answers provided by each candidate. The scoring system will either rank candidates answers from best to worst, with 1 being the best answer or score from 1-5. The chair of the panel will decide this prior to interview. There will be a question sheet on which answers and scores are recorded. Some questions may be double weighted, and then panel will decide this prior to the interviews commencing.

EMPLOYMENT CHECKS

An offer of appointment will be conditional and all successful candidates will be required to:

- Provide proof of identity.
- Obtain an enhanced DBS certificate. If a DBS is returned with notification of a disclosure that the candidate has not declared, the school reserves the right to withdraw the offer of employment. Successful applicants will only be allowed to commence employment once in receipt of the original Enhanced DBS and Barring List Certificate. This must be made available to school.
- Provide proof of professional status (QTS/QTLS/Teacher reference Number TRN number).
- Provide original certificates of qualifications (eg. PGCE, degree, GCSEs, A Levels)
- Complete a confidential health questionnaire. All successful candidates will complete a medical clearance form to be scrutinised by the Assistant Headteacher (Personnel). This may be passed to Occupational Health. All issues arising from the medical clearance will be risk assessed.
- Provide proof of eligibility to live and work in the UK. We will keep a copy of this verification for the duration of the member of staff's employment.

In addition, for all teaching staff checks will be made by the school using the National College for teaching and Leadership (NCTL).

Governors will also have to undergo Section 128 checks, in addition to having an Enhanced DBS. This will be recorded on the Single Central Register.

We will ensure that new staff are not subject to a prohibition order if they are employed to be a teacher. We will carry out further checks if the person has lived or worked outside the UK.

All checks will be:

- Confirmed in writing.
- Documented and retained on the personnel file.
- Recorded on the school's Single Central Record.
- Followed up if they are unsatisfactory or if there are any discrepancies in the information received.

A firm offer of appointment will only be provided when we are in receipt of all checks of employment are completed.

New members of staff will not be able to commence employment at Hilbre until an Enhanced DBS certificate has been received by the school.

Dave White, Assistant Headteacher (Safeguarding) will oversee and maintain a constant vigilance with all matters relating to the Single Central Record (SCR), and ensure we are fully compliant at all times. The Governor linked to safeguarding will also review and sign off the SCR on a termly basis.

INDUCTION

All newly appointed staff will, either prior to or at the point of taking up the post, undergo a programme of induction appropriate for their post. The induction will specifically address issues concerning the safeguarding of children and young people as well as matters directly related to the operation of the post.

SUPPLY STAFF

All supply agency staff will have an Enhanced DBS check carried out by the agency. The supply agency will provide the school with the DBS number.

PGCE STUDENTS/VOLUNTEERS

Pre-employment Health Questionnaire

Hilbre High is committed to the Health and Safety of its staff. As part of this commitment, a Pre-employment Health Questionnaire is required to be completed by all staff upon receipt of a conditional job offer. Your appointment is subject to an assessment of your fitness to undertake the role you have been appointed to.

The purpose of the health assessment is:

- To identify any health conditions or disabilities that may make your ability to carry out the proposed job difficult or unsafe for you or others.
- To enable the school to assess what reasonable adjustments may be needed to enable you to fulfil the role if you have a health condition or disability. If you are appointed, this information will be held on your personnel file. This data may be shared with nominated individuals within the school; this will be kept to a minimum.

This short questionnaire is designed so that you do not have to give any confidential details about your health to the school. Read the questions carefully. In most cases the questionnaire itself will be sufficient for the school to confirm medical suitability for employment in the proposed occupation. However, in rare instances, the school may need to make further enquiries of an individual, or may request that a candidate undergo a medical examination.

Read all the questions carefully. Please refer to the Job Description.

You should tick either the 'yes' or 'no' box, sign and date the statement and return the form to schooloffice@hilbre.wirral.sch.uk

If you answer 'yes', you may be required to complete a full medical questionnaire, which will only be seen by nurses or doctors employed by our Occupational Health provider.

If you have answered 'yes' and you do not wish to provide further details, we will refer you directly to our Occupational Health provider. **Please note this could delay the start date of your employment.**

Appendix 4

Statement on the Recruitment of Ex-Offenders

The school will not unfairly discriminate against any applicant for employment based on conviction or other details disclosed. The school makes appointment decisions based on merit and ability. If an applicant has a criminal record this will not automatically bar them from employment with the school. Each case will be decided on its merits in accordance with the objective assessment criteria.

All positions within the school are exempt from the provisions of the Rehabilitation of Offenders Act 1974. All applicants must, therefore, declare all previous convictions and cautions, including those which would normally be considered "spent" except those received for an offence committed in the United Kingdom if it has been filtered in accordance with the DBS filtering rules.

A failure to disclose a previous conviction (which should be declared) may lead to an application being rejected or, if the failure to disclose is discovered after employment has started, may lead to summary dismissal on the grounds of gross misconduct. A failure to disclose a previous conviction may also amount to a criminal offence.

It is unlawful for the school to employ anyone who is barred from working with children. It is a criminal offence for any person who is barred from working with children to apply for a position at the school.

The school will make a report to the Police and/or the DBS if:

- It receives an application from a barred person;
- it is provided with false information in, or in support of an applicant's application; or
- it has serious concerns about an applicant's suitability to work with children.

Assessment criteria

In the event that relevant information (whether in relation to previous convictions or otherwise) is volunteered by an applicant during the recruitment process or obtained through a disclosure check, the school will consider the following factors before reaching a recruitment decision:

- Whether the conviction or other matter revealed is relevant to the position in question;
- the seriousness of any offence or other matter revealed;
- the length of time since the offence or other matter occurred;
- whether the applicant has a pattern of offending behaviour or other relevant matters;
- whether the applicant's circumstances have changed since the offending behaviour or other relevant matters; and the circumstances surrounding the offence and the explanation(s) offered by the applicant.

If the post involves regular contact with children, it is the school's normal policy to consider it a high risk to employ anyone who has been convicted at any time of any of the following offences:

- murder, manslaughter, rape, other serious sexual offences, grievous bodily harm or other serious acts of violence; or serious class A drug related offences, robbery, burglary, theft, deception or fraud. If the post involves access to money or budget responsibility, it is the school's normal policy to consider it a high risk to employ anyone who has been convicted at any time of robbery, burglary, theft, deception or fraud.

Assessment procedure

In the event that relevant information (whether in relation to previous convictions or otherwise) is volunteered by an applicant during the recruitment process or obtained through a disclosure check, the school will carry out a risk assessment by reference to the criteria set out above.

If an applicant wishes to dispute any information contained in a disclosure, they may do so by contacting the DBS. In cases where the applicant would otherwise be offered a position were it not for the disputed information, the school may, where practicable and at its discretion, defer a final decision about the appointment until the applicant has had a reasonable opportunity to challenge the disclosure information.

Retention and security of disclosure information

The school's policy is to observe the guidance issued or supported by the DBS on the use of disclosure information.

In particular, the school will:

- Store disclosure information and other confidential documents issued by the DBS in locked, non-portable storage containers, access to which will be restricted;
- not retain disclosure information or any associated correspondence for longer than is necessary, and for a maximum of six months;
- the school will keep a record of the date of a disclosure, the name of the subject, the type of disclosure, the position in question, the unique number issued by the DBS and the recruitment decision taken;
- ensure that any disclosure information is destroyed by suitably secure means such as shredding; and prohibit the photocopying or scanning of any disclosure information without the express permission of the individual to whom the disclosure relates.

If a DBS Certificate reveals any convictions, the person concerned will be invited to attend an interview with the Headteacher to discuss the conviction(s) and circumstances. Following this meeting, a risk assessment will be carried out and a decision made and communicated back to the person concerned. For safer recruitment purposes, until this decision has been made the applicant should not commence employment.
